**Speech and Debate, Cultures, Current Events**

Paper (loose leaf or spiral bound - enough to last all year)

Writing Instruments (Pen or Pencil - enough to last all year)

Highlighters (Nothing special - just something to use when reading passages - old ones will be fine)

Cheap Two Pocket Folder (you may want to get one for every class - helps to organize)

3x5 Index Cards (these will be utilized in various ways [vocabulary, speech prep, in class activities] - your child can use regular paper and tear it into squares if you want - these cards will be used all year long.)

Box or two of tissues (this is optional, but greatly appreciated)

Flash Drive (to be utilized in all classes) - I would highly suggest your child has this in order to save information and potential assignments
